

EUROPEAN SEPTAL DEFECT CLOSURE WORKSHOP

October 21-22, 2024

October 21

The Golden Age Hotel
57, Michalakopoulou Ave
11528 Athens

October 22

**Biomedical Research Foundation
Academy of Athens (BRFAA Athens)**
4 Soranou Efesiou str
Athens

Description

The workshop provides interventional cardiologists with the opportunity to develop their knowledge of implant techniques. The attendees will have the opportunity to observe live cases in the cathlab and deploy an occluder device in an animal model without the pressure of a clinical case.

Participants prerequisite

Performed at least one PFO or ASD closure with the GORE® CARDIOFORM Septal Occluder

Learning outcomes

This symposium offers attendees:

- Discuss the benefits of the GORE® CARDIOFORM Septal Occluder
- Get familiar with the GORE® CARDIOFORM Septal Occluder preparation, procedural steps, and trouble shooting
- Select the most suitable device for the patient
- Live case observation in the cath lab
- Overview of the clinical experience and published data on the device

Faculty:

Prof. Konstantinos Tsioufis

Prof. Konstantinos Toutouzas

Dr. Maria Drakopoulou

Prof. Kyriakos Dimitriadis

Ippokrateio General Hospital of Athens
